

Your Personal Guide to Parenthood

Affirm is providing employees and their partners with free access to Maven for support through fertility and preconception; pregnancy and postpartum; adoption; surrogacy; and early pediatrics, with coverage for parents of children up to 10 years old. Use Maven for 24/7 access to doctors, specialists and coaches and trustworthy content tailored to your experience.

Your membership provides access to these great services:

- ✓ **Unlimited video chats** with 25+ types of specialists, including childcare consultants, speech pathologists and more
- ✓ **Practical content and a supportive community** tailored to your experience and designed for how you like to learn
- ✓ **Childcare support** including access to trusted partners and exclusive discounts
- ✓ **Your own Care Advocate** who can help you find care, navigate your benefits, and understand your health bills

For all parents, and all paths to parenthood
