Accessing Care Outside the U.S.

What do I do in the event of a medical emergency?

Go immediately to the nearest physician or hospital and then contact us. Once you are safe, you can reach us 24/7/365 for assistance. Collect calls are accepted: **+1-215-798-3714**.

How can I find a provider if I do not want to use telemedicine?

Find participating doctors or facilities via the provider directory on the Member Hub at www.geo-blue.com or through the GeoBlue app. You can view physician profiles and contact them directly to schedule an appointment.

After you make your appointment, contact us to provide the doctor's office with the information required to arrange Direct Pay. This is necessary when scheduling follow-up appointments as well. While it's often easier to set up your own appointments, we can help when you are unsure about where to seek care.

Are prescription medications covered?

Benefits are limited to emergency prescriptions that are medically necessary. You may be required to pay for any prescription medications up front and submit a claim for reimbursement.*

How do I request Direct Pay?

- Use the GeoBlue app to search for a provider, view their profile and complete a request form
- Visit the Member Hub on www.geo-blue.com
- Call GeoBlue at +1-215-798-3714 (collect calls accepted) for immediate assistance

We suggest requesting Direct Pay at least 48 hours in advance of your appointment.

Accessing Care Inside the U.S.

What do I do in the event of a medical emergency?

If you have an emergency, dial 911 or go to the closest emergency room immediately. If you're not sure whether your situation is an emergency, dial 911 and let the operator determine if you need emergency help.

How can I find a provider if I do not want to use telemedicine?

You have access to the Blue Cross Blue Shield network within the U.S., Puerto Rico, and U.S. Virgin Islands. To find a doctor or facility, visit the "Provider Finder" section of the Member Hub on www.geo-blue.com or in the app. Call the provider to confirm they are in network and schedule your appointment. At the time of service, you will need to show the provider your ID card and tell them you are covered by Blue Cross Blue Shield. If you receive care from an out-of-network provider, you may need to pay up front and submit a claim for reimbursement with no reduction in coverage or benefits.
