XX MAVEN

Adoption & Surrogacy

Provide the most inclusive family building benefit to your employees, for every path to parenthood.

"We needed to have one partner that would be able to support the uniqueness of each employees' parenting journey, and we needed that warm touch with the personalization and emotional support that we found with Maven."

Debbie Westover, Director of Benefits, SoFi

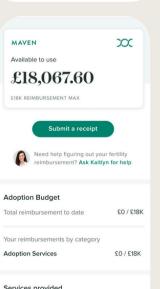

Your guide to Maven's Adoption providers

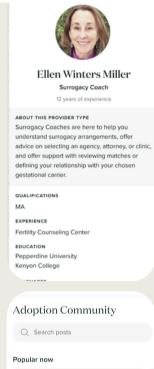

No matter what questions you have or type of support you need on your adoption journey, Maven has your back. Here's a quick guide to the provider types available to you, and common topics they can help you with. Adoption Coach

Adoption coaches are experts on all things adoption, from the different types of adoptions you can pursue to how adoption laws differ among U.S. states.

A few ways they can help you:

- Explaining the different types of adoption available to you
- Offering advice on creating your profile

Adoption versus Surrogacy

wanting to start a family. We've been.

My partner and I are eager to being the adoption

years and are finally feeling ready. We have no idea where to even begin, what questions we..

Telling my 5 year old about her adoption
