Make an appointment with a participating VSP network doctor to schedule a complimentary screening. If you're a candidate for laser surgery, your doctor will provide pre-operative care, coordinate your procedure with a VSP-contracted laser vision center, and co-manage your treatment plan.[2]

Post-operative care.

After your procedure, be sure to return to your VSP network doctor for post-operative care and ongoing management of the health of your eyes and vision. You may be able to use your VSP frame benefit for non-prescription sunglasses to protect your eyes from the sun. Ask your doctor for details.
