About your Group Medical Coverage for Business Travel plan:

- Your plan covers you while on a business trip outside your home country.
- This coverage is supplemental to any existing coverage you may already have.
- Because we don't collect a list of all covered members from your group, your name is not listed on your ID card.
- Your plan covers most accidental injuries and illness without a deductible, copayment or coinsurance.
- Certain limitations and exclusions apply under this plan and may affect your coverage.

Accessing care while abroad:

- Take advantage of our free 24/7/365 telemedicine services for non-emergency medical needs. You can access telemedicine services through our app.
- Visit a provider within our network to avoid having to pay upfront and file a claim for reimbursement. You can find in-network providers in our mobile app and then request Direct Pay through the app.
- You may have to pay upfront and file a claim for any prescription medications you obtain outside your home country.

What to do in an emergency:

- Go immediately to the nearest physician or hospital and then contact our 24/7/365 Global Service Center using this phone number for emergencies: +1 484 218 4189 (collect calls accepted).

We're here for you 24/7/365. Contact our Global Service Center at +1 610 254 5830 (collect calls accepted) or log in to the app for immediate self-service.
